Opis produktu

Wersja językowa książki - angielska. Twarda okładka.

The Sicilian Defense, 1.e4 c5, is one of the popular chess openings. In this book several chess grandmasters present state-of-the-art analysis of lines where White meets the Sicilian by avoiding the Open variations. The editors, 2007 British Champion GM Jacob Aagaard and three-time Scottish Champion GM John Shaw, have recruited a line-up of strong chess grandmasters to share their expert opinions both on how to play the Sicilian Defense and how to play against it.

Jacob Aagaard is a chess grandmaster and ex-British Champion.

John Shaw is a chess grandmaster and three-time Scottish Champion.
