Opis produktu

Wydanie w miękkiej okładce, wersja językowa - angielska

Becoming a Grandmaster is the dream of every young chess talent. Thomas Luther achieved this goal despite the added challenge of being born with a disability.

Luther's Chess Reformation provides a wealth of practical tips and suggestions for chess players of all levels. Using the experiences and insights gained from his remarkable career, Luther offers an insider's view into the world of grandmaster chess. Readers will enjoy his chatty style, while also benefiting from invaluable advice about what it takes to achieve one's chess goals.

Grandmaster **Thomas Luther** is a three-time German Champion who reached the Top 100 in the world. Luther is a highly successful coach and one of only a handful of people to be awarded the title of FIDE Senior Trainer.

Reviews

"It is a chess book that many can learn from, both about chess technically and in terms of knowledge of the world of chess grandmasters. And incidentally, we learn a few things about life in the former East Germany, where of course it was not all doom and gloom. There is much about the life of top chess players and any youthful talent planning to become professional should read this."
