Expected Release (hardcover) Autumn 2021

Mikhail Tal is one of the most celebrated World Champions in chess history, who confounded his opponents and dazzled chess fans around the world. Seemingly breaking every rule in the book, yet also breaking records with his accomplishments, Tal truly was **The Chess Alchemist**.

In this unique book, Oleg Stetsko has compiled 80 of Tal's most interesting games, as annotated by the Magician himself in a variety of sources, many of which have been translated into English for the very first time here.

Oleg Stetsko is a National Master and celebrated chess trainer from the Soviet era
